This Amendment to the Interconnection Agreement under Sections 251 and 252 of the Telecommunications Act of 1996 (the "Amendment"), dated July 15, 2003, is by and between Wisconsin Bell, Inc. d/b/a SBC Wisconsin ("SBC Wisconsin") and New Edge Network, Inc. WHEREAS, SBC Wisconsin and CLEC are parties to a certain interconnection agreement under Sections 251 and 252 of the Telecommunications Act of 1996, as may have been amended prior to the date hereof, which was approved by the Wisconsin Public Service Commission ("WPSC") on May 3, 2000 (the "Agreement");

WHEREAS, on July 9, 2003 the WPSC issued an order in that certain docket entitled Investigation Into Ameritech Wisconsin's Unbundled Network Elements, Docket No. 6720-TI-161 (the "Order"), setting forth new TELRIC-based rates for Unbundled Network Elements ("UNEs") and other products and services available to CLECs from incumbent local exchange providers in the State of Wisconsin (the "Non-Voluntary Terms"); and

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:

1. INTRODUCTION

- 1.1 Unless otherwise defined herein, capitalized terms shall have the meanings assigned to such terms in the Agreement.
- 1.2 Subject to Section 6.4 of this Amendment, to the extent there is a conflict or inconsistency between the provisions of this Amendment and the provisions of the Agreement (including all incorporated or accompanying Appendices, Addenda and Exhibits to the Agreement), the provisions of this Amendment shall control and apply but only to the extent of such conflict or inconsistency.

All ports on the order must be of the same type, served out of the same central office and have the same carrier requested due date. One charge (connection or disconnection) applies per order.
 - 4.4.2 Applicable when requesting to remove the Signal Transfer Point, Originating Point Code or Global Title Address Translation service.
- 2.2 EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL

- REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT. Nothing in this Amendment expands, contracts, or otherwise affects either Party's rights or obligations under the Agreement beyond the express provisions of this Amendment.
- 2.3 Notwithstanding anything to the contrary, including anything in the Agreement or this Amendment, in no event shall this Amendment result in the retroactive application of any rate or rate structure back to any date earlier than the most recent of the following: (i) the actual date that the Agreement became effective between CLEC and SBC Wisconsin following WPSC approval, or, if absent such WPSC approval, the date such Agreement is deemed approved by operation of law, and (ii) May 21, 2002.

3. AMENDMENT EFFECTIVE DATE

3.1 This Amendment shall be effective upon approval by the WPSC pursuant to Section 252(e) of the Act or, absent such WPSC approval, on the date this Amendment is deemed approved under Section 252(e)(4) of the Act ("Amendment Effective Date"); provided, however, that the rates contained herein shall be applied in accordance with Section 2.3 of this Amendment. In the event that all or any portion of this Amendment as agreed to and submitted is rejected and/or modified by the WPSC, this Amendment shall be automatically suspended and, unless otherwise mutually agreed, the Parties shall expend diligent efforts to arrive at mutually acceptable new provisions to replace those rejected and/or modified by the WPSC; provided, however, that failure to reach such mutually acceptable new provisions within thirty (30) days after such suspension shall permit either party to terminate this Amendment upon ten (10) days written notice to the other.

4. TERM OF AMENDMENT

4.1 This Amendment will become effective as of the Amendment Effective Date and will terminate on the termination or expiration of the Agreement; provided, however, that this Amendment, in whole or in part, may terminate or expire earlier pursuant to other provisions of this Amendment, including Section 6.

5. APPLICATION OF FEDERAL REQUIREMENTS AND OBLIGATIONS

5.1 The Parties acknowledge and agree that this Amendment incorporates certain rates into the Agreement that have been established by the Commission in its Order. The Parties further acknowledge and agree that because the rates being incorporated herein are Wisconsin state-specific rates, neither the rates nor any legitimately related terms qualify for portability into Illinois under 220 ILCS 5/13-801(b), Condition 27 of the

SBC/Ameritech Merger Order issued by the Illinois Commerce Commission in Docket No. 98-0555, or any other state or federal statute, regulation, order or legal obligation, if any.

6. RESERVATIONS OF RIGHTS

- 6.1 The Parties acknowledge and agree that the rates incorporated into the Agreement are subject to legal and equitable rights of review and remedies (including, without limitation, agency reconsideration and court review). In the event that any reconsideration, agency order, appeal, court order or opinion, stay, injunction or other action by any state or federal regulatory body or court of competent jurisdiction stays or modifies such Order or otherwise affects any of the rates incorporated into the Agreement as a result of such Order, either Party may, by providing written notice to the other Party, require that such rates be deleted or renegotiated, as applicable, in good faith and that the Agreement be amended accordingly. If such modifications to the Agreement are not executed within sixty (60) calendar days after the date of such notice, a Party may pursue any rights available to it under the Agreement.
- 6.2 In entering into this Amendment, the Parties acknowledge and agree that neither Party is waiving any of its rights, remedies or arguments with respect to any orders, decisions, legislation or proceedings and any remands thereof, including but not limited to its rights under the United States Supreme Court's opinion in Verizon v. FCC, et al, 535 U.S. 467 (2002); the D.C. Circuit's decision in *United States Telecom Association*. et. al v. FCC, 290 F.3d 415 (D.C. Cir. 2002) ("USTA decision"); the FCC's Triennial Review Order, adopted on February 20, 2003, on remand from the USTA decision and pursuant to the FCC's Notice of Proposed Rulemaking, Review of Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers, CC Docket No. 01-338 (FCC 01-361) (rel. Dec. 20, 2001); the FCC's Order In the Matter of the Local Competition Provisions of the Telecommunications Act of 1996, 15 FCC Red 1760 (FCC 99-370) (rel. Nov. 24, 1999), including its Supplemental Order Clarification (FCC 00-183) (rel. June 2, 2000), in CC Docket 96-98; the FCC's Order on Remand and Report and Order in CC Dockets No. 96-98 and 99-68, 16 FCC Rcd 9151 (2001), (rel. April 27, 2001) ("ISP Compensation Order"), which was remanded in WorldCom, Inc. v. FCC, 288 F.3d 429 (D.C. Cir. 2002); or the Public Utilities Act of Illinois, which was amended on May 9, 2003 to add Sections 13-408 and 13-409, 220 ILCS 5/13-408 and 13-409, and enacted into law ("Illinois Law"). On May 9, 2003, the Public Utilities Act of Illinois was amended to add Sections 13-408 and 13-409, 220 ILCS 5/13-408 and 13-409, and enacted into law ("Illinois Law"). The Illinois Law establishes a specific method for setting certain UNE rates in Illinois, mandates that the Illinois Commerce Commission ("ICC") apply the method and determine the rates

("ICC Rates"), and expressly deems all interconnection agreements to be amended to contain the ICC Rates immediately upon the ICC's announcement of such adjusted rates, without further action. Rather, in entering into this Amendment, each Party fully reserves all of its rights, remedies and arguments with respect to any decisions, orders or proceedings and the Illinois Law, including but not limited to its right to dispute whether any UNEs and/or UNE combinations identified in the Agreement and this Amendment must be provided under Sections 251(c)(3) and 251(d) of the Act, and under this Agreement. Notwithstanding anything to the contrary in this Agreement and in addition to fully reserving its other rights, SBC Wisconsin reserves its right, to the extent SBC Wisconsin has not already invoked the FCC ISP terminating compensation in Wisconsin and incorporated the rates, terms and conditions of such plan into this Agreement, to exercise its option at any time to adopt on a date specified by SBC Wisconsin the FCC ISP terminating compensation plan, after which date ISP-bound traffic will be subject to the FCC's prescribed terminating compensation rates, and other terms and conditions, and seek conforming modifications to this Agreement. In the event that a state or federal regulatory or legislative body or a court of competent jurisdiction, in any proceeding, finds, rules and/or otherwise orders that any of the UNEs and/or UNE combinations provided for under this Agreement and this Amendment do not meet the necessary and impair standards set forth in Section 251(d)(2) of the Act, the affected provision will be immediately invalidated, modified or staved as required to effectuate the subject order upon written request of either Party ("Written Notice"). In addition, to the extent this Agreement is in effect in Illinois, the Parties agree that any ICC orders implementing the Illinois Law, including, without limitation, the ICC Rates, shall automatically apply to this Agreement (for the state of Illinois only) as of the effective date of any such order(s) upon Written Notice, and as soon as practical thereafter, SBC Illinois shall begin billing CLEC the ICC Rates; provided, however, the Parties acknowledge and agree that no later than sixty (60) days from the Written Notice, the Parties will execute a conforming Amendment to this Agreement so that the Agreement accurately reflects the ICC Rates and SBC Illinois will issue any adjustments, as needed, to reflect that the ICC Rates became effective between the Parties as of the effective date of the applicable ICC order(s). With respect to all other Written Notices hereunder, the Parties shall have sixty (60) days from the Written Notice to attempt to negotiate and arrive at an agreement on the appropriate conforming modifications required to the Agreement. If the Parties are unable to agree upon the conforming modifications required within sixty (60) days from the Written Notice, any disputes between the Parties concerning the interpretations of the actions required or the provisions affected by such order shall be handled under the Dispute Resolution Procedures set forth in this Agreement.

- 6.3 Nothing in this Amendment shall constitute a waiver by either Party as to any rights each Party may have as to any arguments, assertions, and/or positions as to the Order, including, without limitation, any rights of appeal and/or associated review. In entering into this Amendment, each Party expressly reserves any and all rights it may have as to the Order and/or the subject-matters addressed in the Order including, without limitation, any rights of appeal and/or associated review and/or in any pending or future regulatory, judicial or legislative proceedings and/or negotiations. Nothing herein shall constitute a concession or admission by any Party and shall not foreclose any Party from taking any position in the future in any forum addressing any rates, prices or costs for any product or service.
- 6.4 Sections 6.1, 6.2, and 6.3 are cumulative and apply in accordance with their terms regardless of any change of law provision or any other provision in the Agreement or this Amendment.

7. MISCELLANEOUS

- 7.1 The Agreement, as amended hereby, shall remain in full force and effect until terminated pursuant to its terms. This Amendment does not extend the term of the Agreement. On and from the Amendment Effective Date, reference to the Agreement in any notices, requests, orders, certificates and other documents shall be deemed to include this Amendment, whether or not reference is made to this Amendment, unless the context shall be otherwise specifically noted.
 - 7.2 This Amendment may be executed in counterparts, each of which shall be deemed an original but all of which when taken together shall constitute a single agreement.
- 7.3 This Amendment constitutes the entire amendment of the Agreement and supersedes all previous proposals, both verbal and written.
- 7.4 The Parties acknowledge that in no event shall any provision of this Amendment apply prior to the "Amendment Effective Date"; provided, however, that the rates contained herein shall be applied in accordance with Section 2.3 of this Amendment.
